

## Cast Rehearses Moliere Farce To Open Oct. 28

Rehearsals are now under way for the first fall production, "The Miser" by the French playwright Moliere, which will open October 28 for a four-night run. According to Duane L. Hunt, director, the play is a seventeenth century farce "commenting on the foibles of miserliness, with good-humored satire on social customs of yesterday and today."

The role of Harpagon, the miser, will be portrayed by Mark Terry. Other characters are John Koeneman, Cleante; Bonnie Fay, Elise; Gary Roney, Valere; Marsha Taylor, Mariane; John Harvey, Flash; Sue Fingerle, Martine; Steve Wimp, Simon; William Vance, Officer; and Darrell McClanahan, Anselme.

The cast is composed of six sophomores and four freshmen. Mark Terry, John Koeneman, Bonnie Fay, Gary Roney, and William Vance have appeared in other productions here.

The set for the play will be three-fourths completed today, the director said. The scene is a stylized imaginative setting to represent the seventeenth century exterior of the Miser's home. Thirty to 40 stagehands are working on the production staff.

## Eagleton Urges Local Concern In Government

Thomas F. Eagleton, Attorney General of Missouri, spoke September 22 in the Little Theatre for a gathering of the Young Democrats' Club and friends.

"We are much concerned, interested, and worried about national problems, but we should allow a little of our time and talent to be focused on government nearer to home," the Democratic candidate for Lieutenant Governor of Missouri declared.

Eagleton stated that education is a major problem in Missouri. "Education must be brought to the people. It is not always as easy to bring people to the education." He indicated that more colleges and universities should be set up. The Attorney General emphasized that the Democratic platform of Missouri carries a plank which provides for the establishment of four-year colleges at Joplin and St. Joseph. It also provides for establishment of several mental health hospitals in the state, he explained.

"Another thorn in Missouri's side is changed legislative reapportionment as set forth by the Supreme Court in June, 1964," Eagleton said. He felt that this decision tended to interfere with States' rights, but that this was the only fair way of giving all people equal representation.

A fiery question and answer session followed the speech in which several of those present, including members of the Young Republicans' Club, set forth questions to be answered.

Larry Cusack, president of the Young Democrats, introduced Jim Thomas, candidate for Congressman of the Seventh District, who presented Eagleton.

## Fisher and Moore To Head Classes; 25 Take Senate Seats

Craig Fisher and Greg Moore were elected presidents of the sophomore and freshman classes, respectively, September 30. Other sophomore class officers are Gary Engle, vice president; Pegi Duggan, secretary-treasurer; and Linda Kelley, parliamentarian. Other freshman officers elected are Leigh White, vice president; Jeanne Martin, secretary-treasurer; and Hettie Roberts, parliamentarian.

Twenty-five senators were elected Monday from the two classes. According to class apportionment, the sophomore class selected seven senators; the freshman class selected 18. Sophomore senators are Dawn Beers, Janis Burt, Tony Cano, Barbara Coombs, Ernest Fitzgerald, Kathy Keithly, and Dorothy Rutherford. Freshman senators are Marshall Anderson, Melanie Anglen, Charles Baker, Sharon Campbell, Ronda Davis, Cheryl Dines, Jessica Edwards, John Fretwell, Linda Graves,

## Opera Tenor From Metropolitan Will Open Community Concerts

Richard Tucker will sing at 8 o'clock, Tuesday night, October 20, in the Joplin Senior High School, 2102 Indiana, for the first Community Concert of the season. All JCC students will have the opportunity to see and hear all four concert performances upon presentation of their activity cards.

Brooklyn-born and American-trained, Richard Tucker began his singing career as a boy alto in the Allen Synagogue on New York's East Side. On graduation from high school he got a job as runner for a Wall Street brokerage office. This, an occasional five dollars picked up from singing at weddings, and later jobs, sub-

John Harvey, Robert Jordan, Jeanne Lewis, Ken Northington, Larry Strong, Marsha Taylor, Emory Trawick, Linda Waltman, and Phil Wiland.

All candidates had to have an M average. Each also had to have 15 members of the student body sign his petition for office.

dized his vocal studies. His plans were to become a musical minister of his faith in the role of a synagogue cantor.

He soon achieved his goal after Paul Althouse, celebrated Metropolitan opera tenor of a former day, persuaded him to continue with his singing. His historic Metropolitan Opera debut in "La Gioconda," January 25, 1945, began a career in international stardom. Today he is the Metropolitan's highest-paid tenor.

Widely acclaimed as a second Caruso, he has sung more than 400 performances with the company in his home city on its nation-wide tours. In addition, he is the first American tenor ever to record in Milan's historic La Scala.

Tucker traveled more than 50,000 miles and was heard by some 250,000 people as the result of an eight-week tour of the Middle and Far East under State Department auspices.

Off-stage, Tucker leads a quiet suburbanite life.

## Home-Coming to Center Around Wild West Theme

Home-coming festivities, with a "Wild West" theme, will get off to a bang Thursday night with wood gathering, and cease fire Saturday with a parade, game, and dance.

A roundup will be held Thursday night from 6:30 until 11 o'clock with students rustling wood for the pep rally. Second hour on Friday, students will hold a powwow. The assembly will feature queen candidates, football players, and cheerleaders. That

night, the Lions will be sending out smoke signals as the pep rally gets under way at dark.

Saturday, various JCC tribes will participate in the parade which begins at 12 o'clock. Many organizations will enter floats vying for a big reward. At 7:30 that night the Lions and the Haskell Institute Indians of Lawrence, Kansas, will fight it out with half-time featuring the crowning of the 1964 Home-coming Queen. Afterwards, the queen and her

court will be honored at the dance with the X-L's whooping up the musical background. Cokes will be on sale and entertainment provided in the cafeteria during intermission.

Dorothy Rutherford heads the home-coming committee, with John Walker in charge of wood-gathering; Patti Smith, alumni; Larry Cusack, parade; Janis Burt and Pegi Duggan, publicity; and Joyce Miller, assistant.

One of the young ladies in the picture will reign as queen of JCC Homecoming October 9 at Junge Stadium. Left to right, they are Ronda Davis, Wanda Johnson, Linda Allington, Sharon Campbell, Donna Bartlesmeyer, and Judy Thompson.

## College Owns 70-Acre Tract Of New Campus

Jasper County College now has a 70-acre tract of land for the future campus. Fred Hughes, president of the College Board of Trustees, and Mr. and Mrs. F. C. Wallower, owners of the Mission Hills farm, completed arrangements for the acquisition, September 30. The Wallowers, themselves, donated \$10,000.

Purchased for \$125,000, the ground has all of the property's major improvements. Money for the purchase was provided by contributions to the fund-raising drive sponsored by the "Friends of Jasper County College." Headed by Morgan Hillhouse, the group established a goal of \$300,000 for eventual purchase of four tracts, and a base for a building program. At the October 2 meeting of the organization, the group announced total amount of gifts so far received was \$274,923.72.

Of the three other tracts remaining to be purchased, an 80-acre section lies immediately east of the first tract, bordering Duquesne road on the east. The third tract is a lot and house owned by Mr. and Mrs. Max Whitehead, which is located on the second section. An additional area of 80 acres lying north of Newman Road constitutes the final tract.

Hughes said that the other plots will be purchased as money becomes available.

## Head Chart Members Go to M.U. Workshop

Four top Chart staff members are attending the annual workshop of the Missouri College Newspaper Association today in Columbia.

This morning, they will accompany Missourian reporters on their beats, and attend sessions in editorial, feature, and news writing, and in photography.

At a luncheon meeting, Mrs. Dorothy Roe Lewis will speak on journalism careers. Mrs. Lewis has been women's editor of the Associated Press; columnist for the Chicago Tribune, New York News Syndicate, the Los Angeles Examiner; and co-owner and publisher of the Burlington, New Jersey Daily Enterprise. Following Mrs. Lewis' address, the students will be conducted on tours of the School of Journalism.

Those in Columbia are Richard Hood, Ron Hiser, Janis Burt, Vivian Williams, and Miss Cleotis Headlee, adviser.

## Three Represent College at Meeting

Dr. C. O. Robinson, Dr. Lloyd Dryer, and Miss Martha McCormick represented the College at the recent meeting of guidance counselors and mathematics teachers conducted at the Rolla School of Mines. About 20 Missouri colleges were represented at the conference designed to study and improve methods of testing and placement of students in mathematics courses. To improve the system, the delegates have called for a completely revised examination program for beginning freshmen.

## Financing the Future

With less than \$30,000 of the necessary \$300,000 still to be subscribed, an opportunity to contribute to the purchase of the new Jasper County College site is fast slipping away.

Anyone who has visited the new site and enjoyed its spacious, rolling beauty, will certainly want to have a part in financing its purchase. The new site will blend ready accessibility with plenty of space for additional expansion. Also, the spirit with which the new campus is achieved may, in large part, determine how far the College will go towards becoming a four-year institution.

If enough people show enough interest in getting the junior college campus, state legislators and other instrumental persons may be influenced into helping make it a four-year school. Already, the announced support of both gubernatorial candidates, the drive and determination displayed by the "Friends of Jasper County Junior College" and other local groups, and the cooperation of the Joplin Board of Education, have raised to a new height the hopes for a four-year college.

Now it is up to the rest of us to raise them even higher. Individuals may contribute in the President's office, Room 105, or secure blanks for pledges. By its contribution of \$25, the local chapter of the Student National Education Association has set the pattern for what should be College-wide participation. Let us continue that pattern. —R.G.H.

## Crossroads Editors to Depict Much Student Life in Yearbook

The co-editors of the Crossroads, pictured below discussing their ideas for a college yearbook, definitely feel that a good annual should include much student life.

Barbara Coombs and Patti Smith believe that picturing every aspect of college life, as well as showing everybody to his best advantage, including his contributions to the school, is essential for an outstanding yearbook. Therefore, they urge every student and organization to cooperate in having pictures taken and supplying general information. "After all," as Patti and Barbara point out, "this is the students' yearbook."

During the summer, both coeds toured the Taylor Publishing Company in Dallas, Texas, where they decided upon the cover, design, type of paper, print, and division of pages for the 1964-65 annual. With the selection of the Crossroads staff recently, plans are also being made for their assembly and for the ball which will take place December 12.

Although these bright young

ladies are so busy with Crossroads plans that they say they are unable to distinguish "between what is normal and abnormal any more," they still find time for other activities.

Barbara, who enjoys "the closeness of Juco and the friendliness of its students," is a member of Phi Theta Kappa and served on Summer Cabinet. A 1963 graduate of Carthage High School, she plans to continue her secondary education curriculum at the University of Missouri next year.

Patti, who enjoys the informality and closeness to teachers and students, is a member of M.M.U.N. and College Players. She serves as Student Senate parliamentarian, and was a Summer Cabinet member. She worked on the Crossroads staff last year. A 1963 graduate of Pine Bluff High School in Arkansas, she plans to continue her education in speech therapy at Tulsa University next year.

Barbara Coombs

Patti Smith

## Mrs. Pohnka Paints in Spain

Taking an art class in a Spanish university, watching a bull fight, struggling to understand Spanish, and living five weeks in a Spanish home were some of the summer experiences of Mrs. Lucille Pohnka, commerce instructor at Jasper County College.

The teacher reported taking the art course which lasted five weeks and included the principles of drawing and painting. She said that completing four large paintings seemed "like playing" after teaching courses in her regular field.

Language posed a problem for Mrs. Pohnka. But by the time she and her husband, a Spanish major, left the home of the widow who boarded them during their stay in Spain, she had begun to make herself understood by signs, gestures, and words remembered from college. Her ability to understand the language was much superior to her ability to communicate, she admits.

Attending a bullfight was "gory," Mrs. Pohnka shudders, "I thought they would only kill one bull, but they killed six." She added that the Spanish turn out for a bullfight much the same way that Americans turn out for a baseball game. Although all classes attend the fights, the upper classes seemed ashamed of the sport "perhaps because the bullfighters are usually illiterate and come from the slums. Nevertheless, you need but mention a good bullfighter's name to see Spanish eyes light up." The fighters are as well known as our movie stars, according to the instructor.

Hard, round loaves of bread, mixtures of fish and rice, cheese, and wine make up the staples of Spanish food. Mrs. Pohnka commented, "The food is not hot; we didn't see any black pepper all the time we were in Spain. The bread is hauled through the streets on open trucks unprotected by wax paper or any other covering. After dropping a loaf, the Spanish widow casually rinsed it off and began sawing off slices with a sharp knife. The water did not even penetrate the hard outer surface." The Spanish do not eat much bread, the teacher mentioned wryly.

## Administrators Go To Council Meeting

Three members of the Jasper County College faculty attended the annual meeting of the Council of North Central Junior Colleges at Grand Rapids, Michigan, October 4-6. Representing the College were President Leon C. Billingsly, Dean C. O. Robinson, and Dudley Stegge, who were accompanied by Dr. Donald Shook, president of Crowder College.

Junior college administrators from a 19-state area attended the meeting, held with the Michigan Association of Junior Colleges. The administrators discussed various common problems of junior colleges, including the growing enrollment and need for new schools, the increasing demand for high-quality instructors, and the changing of administrative policies and curriculum.

At the meeting last year, Dr. Billingsly was elected to the Board of Directors of the North Central Association.

Mrs. Pohnka, at right

The Pohnkas returned home by way of France, Switzerland, Austria, Germany, and Yugoslavia. A 15-year-old French boy provided them with a splendid example of friendship. While they sat in one of the small compartments in the train, they discussed their proposed visit to Switzerland. Although the boy spoke no English and the Pohnkas spoke no French, he understood their concern about going through customs and catching the next train. The boy led them to the French police, spoke with the officers and miraculously spirited them through to their train.

Of all the countries they visited, Mrs. Pohnka thought Austria the most beautiful.

In contrast to her European summer, Mrs. Pohnka resumes teaching typewriting and shorthand this fall at JCC.

## An Appreciation for Service

We of JCC are fortunate to have some groups as well as some individuals who render service to the entire student body and to the community as a whole. Among those standing out already this year are the Summer Cabinet, Phi Theta Kappa, and the YWCA.

The Summer Cabinet, which acts as the governing body during the summer, has sold ads for the school directory; made up decals to bolster our college spirit; marked off parking spaces in order to prevent wasting parking facilities; planned the September 12 orientation; arranged for student mixer and class elections; and has made preparation for the students' part in Home-coming.

Phi Theta Kappa, national scholastic fraternity, recently conducted Big Brother-Big Sister meetings with their charges for the year. Each student adviser counseled several students majoring in his or her particular field, and will assist these students throughout the year.

Members of the College YW are volunteering their services each Saturday as hostesses at Freeman Hospital and the Mental Health Clinic.

We of the student body can show our appreciation for these individuals and groups who have gone beyond the call of duty in service to others by patterning our activities after theirs. —J.B.

# New Alumni Board Makes Plans For Home-Coming Celebration

Mrs. James Stevens      Robert Close      Hal Barlow  
Mrs. Jack Belden

New Alumni officers have made final plans for the Association's participation in the Home-coming parade next Saturday afternoon, and for setting up a registration table at the game for alumni that night.

Board members will greet alumni, present them with alumni ribbons, and then escort them to a special section which will be recognized at half-time. Afterwards, coffee will be served in the College Little Theatre.

Mrs. Jack Belden, who graduated from Juco in 1956, is president of the board. After leaving Juco where she was known as Mrs. Sara Belden, she attended the University of Missouri graduating with a major in marketing. She and Mr. Belden, also a 1956 Juco graduate, have two children, Scott and Russell.

Hal K. Barlow, a 1952 Juco graduate, serves as Alumni vice-president. He continued his education at Kansas State College where he received his B.M.E. and at the University of Colorado where he received an M.M.E. degree. Barlow teaches music at South Junior High. He and Mrs. Barlow (Marcella Tharpe, a J. C. graduate) have one son, Mark.

Mrs. James E. Stephens (Martha Tucker, 1957) serves as secretary of the Association. She and Dr. Stephens, a Juco graduate, have four children: Julie, Jeff, Penny, and Perry.

The new Alumni treasurer is Robert D. Close of Joplin who attended Juco in 1942 and 1946. Close, now a vice president of the First National Bank, has two children, Renee and Phillip.

Ron Robson, Jr., who was out of town when the picture was taken, serves as reporter.

## 1962 Graduate Gets Fellowship

Steve Craig Sandy, who graduated from Joplin Junior College in 1962, and from the University of Alabama in 1964 with a B.S. degree in engineering, recently received a Commerce Associates Fellowship for advanced study at the University of Southern California. While here, he was a member of the Summer Cabinet and Phi Theta Kappa.

The Alumni are also involved in raising funds for the purchase of the future college site. As of now, according to their president, \$1,623 dollars has been donated by former students, \$300 of which will go to the Alumni scholarship.

A special project this year will be getting the Alumni files in order. Mrs. Belden urges all former and present students to make sure that the College has a permanent mailing address for them. "Even though students are not interested in the Alumni Association and think it is not important now, they will be when they graduate," she emphasizes.

The final project of the year is the Alumni banquet which takes place in the spring featuring an alumnus as speaker and the presentation of three alumni scholarships.

## Students Present First Music Recital

The Music Department of JCC held the first student recital of the season, October 6, in the College auditorium. Six performed on the program.

Mike Graves, trombonist, played "Morceaux Symphonique" by Alexandre Guimon; Kathy Keithly, contralto, sang "Lullaby" by Mengotti and "Bon Eviger Liebe" by Brahms; and Anita Baum, soprano, sang "Tu Lo Sai" by Giuseppe Torelli and "My Lover Is A Fisherman" by Strickland.

Greg Simmons, trumpeter, played "Intrada and Riggadon" by Purcell, "Gavotte" by Couperin, and "The King's Hunting Jig" by John Bull; Kathy Watkins, soprano, sang "Star Vicino" by Salbator Rosa and "Comin' Thro' The Rye" arranged by Charles Kingsford; William Vance, tenor, and Bill Snodgrass, violinist, played selections of their own choice.

Mrs. Oliver Sovereign, Cheryl Zimmerman, and Deniese Crosswhite were accompanists for the program.

The student recitals are held once a month in the auditorium. There is no admission and a reception is held in Room 210 following each recital. The public is invited.

## Past Home-Comings

As we prepare to celebrate the first Home-coming for Jasper County College, it is interesting to gaze back into the past and review past Home-coming queens and "Pigskin Princesses."

The first Home-coming for Joplin Junior College found Victoria Evans crowned "Pigskin Princess" as the Lions whipped Fort Scott 13-0, November 21, 1940. After three years, there were now graduates "to come home."

In 1941 a more elaborate preparation preceded the crowning of Patty Lacey as "Pigskin Princess" at the Miami game. Peggy Elliott was princess in 1942.

While war raged in Europe, attendance dropped sharply at JJC with emphasis on the shortage of boys. Between 1943 and 1946 there were no homecomings as such at the College. Mary Alice Dabbs became the first of the postwar Home-coming dynasty in November 1947.

Maintaining royal tradition, Kathleen Cearnal (now Mrs. King Bridges) reigned in 1948. For the years through 1948 we have the names of the queens and their married names when possible.

Kathryn Tipping (Mrs. Henry J. Davis) was queen in 1949. In royal procession came Norma Long, (Mrs. James C. Quinly), 1950; Mary Lou Gullette, (Mrs. Charles R. Rutledge), 1951; Joan Holman, 1952; Diana Martin (Mrs. Jim Morrissey), 1953; Janice Hargis (Mrs. Bob Barry), 1954; Madolyn Gustafson, 1955; Wanda Gibb, 1956; Donna Finley, (Mrs. David Garrison), 1957; and Pam Spenny, 1958.

Beginning with 1959, we have more information about JJC Home-comings. Slipping past the Highland Scotties 19-14, the Lions emphasized the crowning of Barbara Arehart (Mrs. Buddy Ball) in 1959.

Between halves of the 1960 contest with the Fort Scott Greyhounds, won 18-0 by the charging Steggemen, Sally Burress was crowned Home-coming queen.

Margee Webb received the traditional gold football and a crown at half-time ceremonies October 5, 1961, and the Lions proceeded to spank Highland 13-7.

The crowning of Cheryl Martin between halves of the November 16 game with the Fort Scott Greyhounds put a spark of life into an otherwise dreary evening as the Lions submitted to a 27-0 defeat in 1962.

Fighting to a 7-7 tie with the Highland Scotties in 1963, the last edition of the Steggemen ob-

## Concert Band Needs Additional Members

To give students an opportunity they might not otherwise have, concert band is being taught at the College for the first time at night this year, according to Russell E. Benzamin, music instructor. He stressed that students may still enroll in the class.

The course, for one hour's credit, is offered at 7:30 on Monday nights. Students from any curriculum may take band.

## Lions Bow to Pirates

The Jasper County Lions bowed 19-7 to the Independence Pirates September 17, in a contest played at Junge stadium. The Lions, although lacking in depth and speed in the secondary, fought the Pirates to a 7-7 tie at the half.

Independence drew blood first on a one-yard run by fullback Jackson, after interception of a Lion pass. Jasper County knotted the score on a 45-yard romp by halfback Bruce Cortez. Cortez kicked the extra point. The Lions again threatened just before the half, driving to the Pirate 13 before time ran out.

Halfway through the third quarter the Pirates attempted a field goal from the 30 but it was no good. The Lions took over on the eight-yard line but only gained seven yards in the next three plays and were forced to punt. Urbanowicz's punt was blocked and the Pirates took over on the Lion five. Quarterback Stacke then raced around left end for the go-ahead touchdown. A bad snap from center foiled the extra point attempt.

The Lions could not take advantage of the kick and punted to the Pirate eight-yard line. Independence then pushed to their own 30. Three plays later Stacke teamed with Vicory on a 76-yard pass play to score the Pirates' final touchdown.

served the crowning of Kay Baker as Home-coming queen. This year's queen will be announced during halftime of the game with Haskell Indians next Saturday night.

## Final Enrollment Climbs to 1360

Enrollment is up 29 per cent over last year, according to Dean C. O. Robinson. Total enrollment of 1,360 includes 932 in day school and 428 in the evening division, or an 18 per cent increase in day enrollment and a 73 per cent hike in evening enrollment. Men outnumber women at a two to one ratio.

Dr. Robinson attributed the increase to the change from a city to county college with lower tuition fees for more students, "and an added desire on the part of area young men and women to gain further education."

He added that an estimated 100 students who normally would have attended here enrolled in the new Crowder College.

## Captain to Talk About Polaris Sub Thursday Morning

Next Thursday morning Grant Storey, a captain in the United States Navy, will speak on some phase of the Polaris submarine. He will lecture in the auditorium first hour, according to Mrs. Loretta Frazier, assembly program chairman.

A native of Carthage, Captain Storey is in the district to address the Rotary Club of Carthage. While here, he also plans to speak before several other local organizations.

## The Universal Antidote

When you feel all sick and achy,  
When life kicks you in the head,  
When you think the world is shaky,  
Give up . . . and go to bed!

# Football Team to Stress Defense in Home-Coming Game

## JCC Conquers Highland, 41-19

Halfback Bruce Cortez scored three touchdowns and kicked five extra points as the Jasper County Junior College Lions whipped Highland Juco's Scotties 41-19 October 1 at Highland.

Cortez scored his first touchdown on a 45-yard pass play and then booted the extra point. Highland came back to drive 60 yards in nine plays with Earl Jenkins scoring the touchdown. Fred Fulton kicked the extra point.

Pete Jennings intercepted a Highland pass, and the Lions scored four plays later when Mike Hutchinson went over from the one. Cortez' try for the extra point was good. Cortez' second touchdown came on a 21-yard run. The kick was blocked.

Late in the second period the Scotties drove to the Lion one before Jasper took over on downs. Highland halfback Shane scored on a 15-yard run after the Scotties came 73 yards with the second half kickoff.

The Lions drove 79 yards with the Highland kickoff for their fourth touchdown. Hutchinson and end Joe Potter combined for the six-yard touchdown.

In the fourth quarter Highland drove 76 yards for their final touchdown. Jim Metzger went four yards for the tally.

After the kickoff the Lions

(Courtesy of Joplin Globe)

Lion defense halts Missouri Valley's forward rush in the Lions' 16-7 victory, September 24.

## Lions Maul Jayvees On Local Gridiron

Ron Toman's Lions rolled over Missouri Valley's Jayvees, 16-7, in a nonconference battle, September 24, at Junge Stadium.

roared 72 yards down field for a touchdown. Cortez scored the TD on a 40-yard run and then kicked the extra point. Pete Jennings intercepted a Scottie pass and returned it 55 yards for a touchdown in the final seconds of the game for the Lions' last score.

The victory gave the Lions a 2-0 record in conference play and an overall record of 3-1.

Jasper County College played the Oklahoma Military Academy in Claremore, Oklahoma, last night.

Missouri Valley's single-wing attack bothered the Lions during the first half, but they recovered to hold the Vikings to 32 ground yards throughout the second half.

On the second half kickoff, the Lions drove 74 yards in 12 plays for a touchdown, with halfback Bruce Cortez getting the final yard. His kick went through the uprights for a 7-0 score. Then, utilizing a tight defense, the Lions forced the Missouri Valley eleven to kick from their own 18. Lion guard Curtis Jones broke through to block the kick, and recover for a touchback.

Midway through the third quarter, Viking tackle Jay DeWar picked up a Lion fumble, and ran 62 yards to pay-dirt for Missouri Valley's lone tally. The Lions then took the kickoff and, six plays later, Cortez barreled 11 yards for the final touchdown of the game. Cortez then kicked the extra point.

Coach Toman was especially impressed with the showing turned in by Cortez, Mike Hutchinson, Pete Jennings, Curtis Jones, Joe Potter, Dick Ralston, and Hank Urbanowicz.

Jasper County College, hosting their first Home-coming since the district expansion, will play the Indians of Haskell Institute of Lawrence, Kansas, Saturday night, October 17. The game is called for 7:30.

Pleased with the outcome of the Highland game and with the manner in which the defensive team excelled, Coach Toman feels confident that the Lions can stop Haskell. "We place a great deal of emphasis on our defensive unit. If we are to emerge victoriously against Haskell, our defensive personnel will need to be at their best."

Boasting a 3-1 overall, 2-0 Interstate Conference record, the Lions captured the conference lead by overwhelming Highland, Kansas, 41-19 in a conference game. Highland walloped Haskell Institute 49-0.

On defense, Coach Toman plans to use Joe Potter and Dick Ralston as key men at the ends. Toman has been greatly impressed with the ability and skill shown by these two workhorses. Skip Drouin, 235 pounds from Lansing, Michigan, and Hank Urbanowicz, 220-pounder from St. Louis, will probably start at tackle. Both have been sidelined with injuries. Co-captains Frank Falks and Curt Jones will display their keen talent while manning the guard positions.

Captain Pete Jennings and John Shoemaker will probably hold the linebacker slots. Jennings, a tough 200-pounder and any coach's prize, will start offensively at fullback for the Lions. Shoemaker, a grappling freshman from Greenfield, has also been used offensively this past season.

Defensively in the backfield, speedsters Tony Cano and Mike Hutchinson will be in at the halfback positions. Cano, 180-pound sophomore, and Hutchinson, 175-pound freshman, both originate from El Paso, Texas. Running

safety will be Bob Jenkins, a nifty 155-pounder from Salem. A deep 6 or 7-diamond defense will probably be used.

The coaching staff has also been impressed by Jerry Burke, who goes both ways at end; big Jerry Pace, 241-pound tackle from Neosho, Ron Woodward and Bill McElfresh in the guard slots; Springfield's Ken Northington at fullback; Norm Wilfong, a Granite City, Illinois speedster at halfback; and Dick Kruse in the linebacking and fullback positions.

Jasper County's offense will probably see Bruce Cortez, greased lightning from Carthage, Judy Smith, Cano, and Bob Courtney in at halfback; Ralston and Potter, ends; Drouin and Urbanowicz, tackles; Falks and Curt Jones, guards; Sam Jones, center; Hutchinson and John Fretwell, quarterback; and Jennings, fullback.

Editor's Note: On Friday evening after the preceding story was written four of the starting Lions and one reserve were injured in an automobile accident at the intersection of Country Club Road and U. S. 69 Bypass, three miles south of Pittsburg.

Skip Drouin, Paul Gerke, Pete Jennings, and Hank Urbanowicz, were passengers in a car driven by Dick Ralston.

All Lions were back in school Monday. However, Jennings and Urbanowicz are expected to be out for the remainder of the season.
